Syllabus for math 233 section 1

Bill Meeks LGRT 1536 phone: 545-4239

e-mail: bill@math.umass.edu

This class meets on MWF 11:15am -12:05pm in LGRT 321. On the course web page you will find how you will be graded in our course. Basically each exam counts 25% and I will give you 25% of your grade based on you section work. Your section work and grade for the section will be divided approximately as 15% for Webassign homework and 10% for attendance and in class exercises.

The main course web page can be found at

https://www.math.umass.edu/~whitaker/m233s10.html

See the above web page for details on grading exams and other useful information like study guides for the exams.
