General guidelines on homework.

• Homework is due at the beginning of class on the due date. Unless I say otherwise, homework is due on Wed.

• Please use standard size paper. Homework should be neatly done. Please don’t submit things scratched out etc.

• I don’t mind students’ working together on problems. In fact I encourage it. That is a good way to learn. However, everyone is responsible for an independent write up of the final solution. No direct borrowing of someone else’s work.

• I have lots of paper with one side blank which, for the sake of conservation, I’m happy to make available to you.
