Class Mailing List: math-331-1-fal06@courses.umass.edu

My Web Page: http://www.math.umass.edu/~rsellis

TA Office Hours: To be announced

Policies:
1) Attendance and on-time arrival at all classes is expected.
2) In a class of this size, the logistics required to handle late homework is too complicated. Instead, three homework grades will be dropped from the final grade. These will include the lowest grades and assignments that were not handed in.
3) In case you must miss an hour exam or the final exam, you must notify me before the exam in person, by telephone, by email, or by a message left in the department. Otherwise, the score will be 0.

Your Responsibilities: Your participation is necessary in order to make this course a success. I expect that you will attend every class, will not enter the classroom late, and will complete the readings and homework assignments on time. In case of any problems affecting your work, please see me when they happen. I will try to help you.
